|  4-gang                  | 0214 235  | 1            | 11 | 4010337021308 |

### Features

- Shatter-proof.
- With the aid of the Gira device box, the Gira E2 switch range can be installed flat on the wall.
- This device box can be recessed directly in the wall in cases of cavity mounting, e.g. a flexible wall system.
- For flush-mounted installation in brickwork, the device box is inserted into an flush-mounted installation box, which is then placed in the wall.
