

LED orientation light 230 V~ RGB

Specification	Order No.	Packing unit	PS	EAN
	1169 00	1	02	4010337042341

Features

- LED orientation light for private and commercial use.
- The orientation light is used, for example, to illuminate stairs or as an orientation aid in dark rooms.
- RGB LEDs are used as light sources.
- The light colours white, blue, red, green and orange can be set consecutively, or a continuous colour cycle over the entire range of colours (approx. 5 min.) can be started via a control input.
- As a result, any desired colour can be set by stopping at the corresponding point.
- The brightness of the light can be set individually.
- A film which can be inscribed individually can be laid in the cover plate.
- Pictograms for room and route marking can be inserted.
