

## System 106 installation box, flush mounting 4-gang

| Specification   | Order No. | Packing unit | £/piece<br>without VAT | PS | EAN           |
|---|-----------|--------------|------------------------|----|---------------|
|  4-gang | 5524 00   | 1            | 293.99                 | 20 | 4010337102236 |

Independent of the construction progress, the housings can already be installed in the building shell.  
Housings available in metal alloy laquered in anthracite: all robust materials which ensure durability.

### Features

- Vertical and horizontal mounting enables optimal adaptation to the installation point.
- Suitable for use in the facade module.
- The housings can be mounted as soon as the façade has been completed.
