

**System 106 installation box, flush mounting
2 x 2-gang**

Specification	Order No.	Packing unit	£/piece without VAT	PS	EAN
 2 x 2-gang	5528 00	1	304.13	20	4010337107880

Independent of the construction progress, the housings can already be installed in the building shell.
Housings available in metal alloy laquered in anthracite: all robust materials which ensure durability.

Features

- Vertical and horizontal mounting enables optimal adaptation to the installation point.
- Suitable for use in the facade module.
- The housings can be mounted as soon as the façade has been completed.
